In conjunction with the 'Artishow' program, the Vancouver Island Sculptors Guild have secured the entire month of August to showcase sculpture in the lobby of the Sidney Pier Hotel and Spa as 'Artist/s in Residence'.

The Guild executive is looking for a list of members who will be available to be artist in residence during the month of August. Please add your name to the list below and note which days you could be available. We will compile the list with the sculptors and dates and create a schedule.
